ChildServe's Wellness Program MISSION/VISION SAMPLE

MISSION

To help staff in living a great life by supporting their holistic wellness/wellbeing by offering programming that builds awareness and knowledge and supports positive healthy behavior.

VISION

To build a culture of wellness at ChildServe by engaging full time staff in wellness programs that support their journey to a healthier lifestyle.

Note: Our Mission and Vision statements intentionally align with our organizational Mission and Vision statements. ChildServe supports staff to the same degree that we support the children and families that we serve.
